

# SIMPLE SERVICE COLLECTION™

A modern twist on compartmentalised serving options such as the traditional bento box. The Simple Service Collection™ consists of one dish and a lid, with tear drop shaped inserts available to buy separately to create a unique combination or look. The white colourway provides the perfect contrasting backdrop for vibrant ingredients, helping to enhance the visual appeal of your salads and side.

- Robust plastic construction is remarkably durable, keeping your dishes safe and secure at all times
- Individual insert compartments help to separate and contrast between diverse ingredients
- Not microwave safe

SAFE FOR TEMPERATURES UP TO 100°C

NEW

Clear acrylic lid for easy visibility of contents.

White melamine base.

Inserts sold individually to buy as many as you need.
